

Korean International Semiconductor Conference
on Manufacturing Technology 2023 (KISM 2023)
November 19-23, 2023/Paradise Hotel Busan, Busan, Korea

Prof. Hanwool Yeon

(Gwangju Institute of Science and Technology
(GIST), South Korea)

Professor Hanwool Yeon is an assistant professor at Gwangju Institute of Science and Technology (GIST) in School of Materials Science and Engineering. He received B.S., M.S. and Ph.D. from Seoul National university, all of them in Materials Science and Engineering. He is a recipient of 14th POSCO Science Fellowship. His group is developing a unique metallization technology, termed SMART metallization, for advancement of semiconductor technologies including in-memory computing and heterogeneous integration.
